RE: APS Power Supply Adjustor
Docket Nos. E-01345A-05-0526; and E-01345A-03-0437

Dear Commissioner Gleason:

APS has completed its response to your letter of November 23, 2005. Because it contains confidential financial projections that have not been publicly released, we have provided the data to your Staff pursuant to the Protective Agreement in the above dockets. As indicated in Steve Wheeler's letter of December 12, 2005, APS does not yet have in place a Protective Agreement in the pending rate case matter, but will submit the same information to Staff in that proceeding upon the execution of such an agreement. I again apologize for the delay.

Sincerely,

Thomas L. Mumaw
