PROCEDURAL ORDER

BY THE COMMISSION:

On July 22, 2005, Arizona Public Service Company ("APS") filed with the Arizona Corporation Commission an application for approval of a power supply adjustor ("PSA") surcharge.

On August 4, 2005, Commissioner Mayes docketed a letter to the parties raising issues relating to APS' interpretation of the PSA adopted in the APS rate case.¹

On August 15, 2005, APS filed a letter in response and on August 19, 2005, the Residential Utility Consumer Office ("RUCO") filed a letter in response.

On August 25, 2005, Commissioner Mayes filed another letter with additional questions related to the implementation of the PSA.

On August 29, 2005, Commissioner Gleason filed a letter to Steven Wheeler, Executive Vice President of APS, seeking additional information related to the PSA surcharge and the Plan of Administration.

On September 1, 2005, Chairman Hatch-Miller docketed a letter in both the PSA surcharge docket and in the Plan of Administration docket, agreeing that these matters should be sent to hearing so that an evidentiary record can be developed.²

Accordingly, a procedural conference should be held to discuss the procedural aspects of these matters, including whether consolidation is appropriate; when testimony can be filed; what notice is required; when a hearing should be held; as well as other procedural issues.
