Re: Miracle^{Valley} Water Company et al

Gentlemen:

We are writing you in support of the Moratorium on new water hookups. We live on Calle Secillos, which is in the Cochise Water Company area. Since moving into our home 15 months ago we have experienced low pressure and water outages on many occasions.

We believe that until these water companies can provide the existing customers with water, consistent pressure and good quality water no new customers should be allowed to hookup to these water companies.

Sincerely,

Richard Dolan
