RE: Johnson Utilities Company: Compliance with Decision No. 67586
Johnson Utilities filing documentation of the transfer of Utility Assets
ACC Docket Nos.: SW-04002A-02-0837; WS-02987A-02-0837; SW-04002A-04-0465;
WS-02987A-04-0465

Dear Mr. Bozzo:

This letter is in response to your Compliance Delinquency Notice dated September 8, 2005. We believe that Notice was erroneously issued.

Johnson Utilities ("JUC") is currently working with Arizona Department of Environmental Quality ("ADEQ") to complete all the requirements of Decision No. 67586. Johnson Utilities is unaware of any compliance dates regarding this decision that have been established at this time. JUC understands that once documentation of the transfer of Utility Assets, including the ADEQ approvals, have been filed and a Final Order deleting the AUSS CC&N and transferring it to JUC has been issued, a 180 day compliance date will be set. This compliance due date was confirmed by Mr. Jason Gellman in a phone conversation with Mr. Richard Sallquist on September 14, 2005.

Should you have any questions, please do not hesitate to contact me. Thank you for your time and consideration in this matter.

Sincerely,

Daniel Hodges
