**IN THE MATTER OF THE JOINT  
APPLICATION OF TUCSON ELECTRIC  
POWER COMPANY, AN ARIZONA  
CORPORATION, AND TRICO ELECTRIC  
COOPERATIVE, INC., AN ARIZONA  
CORPORATION, FOR AN ORDER  
APPROVING A BORDERLINE AGREEMENT.**

DOCKET NO. \_\_\_\_\_  
JOINT APPLICATION

COME NOW TUCSON ELECTRIC POWER COMPANY, an Arizona corporation ("TEP"),  
and TRICO ELECTRIC COOPERATIVE, INC., an Arizona corporation ("TRICO"), Joint Applicants  
herein, and allege to this Arizona Corporation Commission ("Commission") as follows in support of this  
Joint Application:

I.

TEP is a public service corporation engaged in the generation, transmission and distribution of  
electricity for the purpose of serving its customers located within a specifically designated service area  
in portions of Pima and Cochise Counties, Arizona, which has been certified and approved by the  
Commission ("TEP's Service Area").

II.

TRICO is a public service corporation engaged in the distribution of electricity for the purpose  
of serving its customers located within a specifically designated service area in portions of Pima, Pinal  
and Santa Cruz Counties, Arizona, which has been certified and approved by the Arizona Corporation  
Commission ("TRICO's Service Area").

III.

Ms. Patricia Kuvik, an individual, ("KUVIK"), has made application for electric service to her real property described in Exhibit "A" attached hereto to TEP and TRICO. KUVIK's property is located within TEP's certificated territory. However, TRICO's facilities exist 190 Feet West of KUVIK and KUVIK can receive service from TRICO at no charge because the distance is less than 600 feet distance allowance set forth in TRICO's line extension tariff, whereas the nearest TEP's facilities are more than 1400 feet away and the cost to extend service is approximately \$8,950. Accordingly, it is in the best interest of KUVIK that TRICO serve her property until such time as TEP determines that it is economically feasible for TEP to serve the KUVIK property.

IV.

TEP and TRICO have entered into an agreement (the "Agreement"), attached hereto as Exhibit "B" in order that TRICO may provide electric service to KUVIK's. Pursuant to the Agreement, TEP reserves the right to provide electric service to KUVIK's property when TEP determines that it is economical to do so. In the event TEP determines to provide such service, TEP will compensate TRICO for any of TRICO's facilities which can then be used by TEP in providing service to KUVIK's property. TEP and TRICO request that the Agreement be approved by the Commission.

V.

TEP and TRICO each provide public utility electric service in other areas of Pima County, Arizona, pursuant to certificates of convenience and necessity issued by this Commission, and each utility is qualified and able to provide satisfactory public utility electric service in the respective area to be served by it pursuant to the proposed Agreement.

VI.

Applicants TEP and TRICO believe that the Agreement will be consistent with and promote the public interest, will be in the best interest of KUVIK and will enable KUVIK's to more efficiently and economically be provided electric service.

VII.

There is no existing line extension or other agreements pertaining to electric service to the area in which KUVIK's property is located, nor are there any facilities, easements or rights-of-way to be transferred in the event the Agreement is approved.

VIII.

Notice of this Joint Application will be sent to BENDER.

IX.

The names of the corporate officers of applicants TEP and TRICO are the same as presently on file with the Commission.

X.

The financial statements of applicants TEP and TRICO are the same as presently on file in the Utilities Division of the Commission.

WHEREFORE, the Joint Applicants respectfully request the Commission to issue its decision or order approving the Agreement.

RESPECTFULLY SUBMITTED this 6<sup>TH</sup> day of APRIL, 2001.

**EXHIBIT "B"**

**ELECTRIC SERVICE AUTHORIZATION AGREEMENT**

THIS ELECTRIC SERVICE AUTHORIZATION AGREEMENT (this "Agreement") is entered into this 6<sup>TH</sup> day of APRIL, 2001, by and between TUCSON ELECTRIC POWER COMPANY, an Arizona corporation ("TEP"), TRICO ELECTRIC COOPERATIVE, INC., an Arizona corporation ("TRICO").

**RECITALS:**

1. The real property described in Exhibit "A" attached hereto (the "Subject Area") is within the area of TEP's Certificates of Convenience and Necessity issued by the Arizona Corporation Commission ("Commission");
2. Patricia Kuvik, ("Customer") has requested that electric service be provided to the Subject area;
3. TEP has given Written Authorization whereby TRICO may temporarily service the Customer in the Subject Area; and
4. In TEP's opinion, because of current conditions, it is currently beneficial to the Customer for TEP to permit TRICO to temporarily provide electric service to the Customer's real property which TRICO is willing to provide as hereafter agreed.

**PROMISES AND CONVENANTS:**

NOW, THEREFORE, in consideration of the foregoing recitals and in further consideration of the following covenants, promises, and provisions, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, for themselves, their agents, employees, successors and assigns, do hereby agree as follows:

1 5. TRICO is hereby authorized by TEP to enter the Subject Area, certificated to TEP, and  
2 construct and maintain electric service lines and facilities necessary to serve the Customer until such  
3 time as TEP notifies TRICO in writing of its intention to provide service to the Customer.

4 6. Upon receiving written notice of TEP's intention to serve the Customer, TRICO will sell  
5 to TEP and TEP will, notwithstanding paragraph 8, purchase all of TRICO's electric lines and facilities  
6 within the Subject Areas which are compatible with TEP's electric system and which can be utilized by  
7 TEP to serve the Subject Area at original cost, depreciated at the rate of 3.32% per year, and TRICO will  
8 discontinue providing electricity service in the Subject Area by TRICO, at no cost to the Customer.  
9

10 7. If the sale of TRICO's facilities to TEP is subject to prior approval by the Commission,  
11 TRICO will use its best efforts to obtain said sale approval.

12 8. Nothing in this Agreement precludes TEP from serving within the Subject Area with  
13 TEP's facilities.  
14

15 9. This Agreement shall be binding upon and inure to the benefit of the parties hereto and  
16 their respective successors in interest and assigns, whether arising voluntarily or by operation of law.  
17

18 10. This Agreement shall become effective when approved by the Commission.

19 IN WITNESS WHEREOF, the parties have executed this Agreement on the day and year first  
20 above written.

Mr. Charles N. Emerson  
Manager of Technical Services  
Trico Electric Cooperative, Inc.  
P.O. Box 35970  
Tucson, AZ 85740

Dear Mr. Emerson:

Ms. Patricia Kuvik has formally requested that Tucson Electric Power Company ("TEP") allow Trico to provide electric service to her real property located in TEP's certificated service territory. The real property is legally described as the SW1/4, SW1/4, SE1/4, SE1/4, Sec. 3, T17S, R16E, G&SRB&M, Pima County, Arizona, EXCEPT the South 30 feet thereof. Trico has expressed a willingness to provide service to the property upon receipt of consent thereto by TEP.

In order to provide service to the property, TEP would be required to construct a line extension approximately 1400 feet in length at an approximate cost of \$8,950.00. Ms. Kuvik would be required to post a substantial cash deposit to cover the costs of construction. Since Trico can presently provide electric service to the property which is within 600 feet of Trico's existing facilities and therefore without cost to Ms. Kuvik, TEP hereby consents to Trico providing such service. However, TEP reserves the right to provide the electric service to the property commencing at such time that TEP can serve the site in a reasonably economical manner as determined solely by TEP.

This letter should not be construed as a waiver by TEP of its right to serve customers located within its certificated area and is not intended to constitute or effectuate any permanent modification of TEP's electric service area boundaries.

If you concur with this agreement and are willing to agree to the terms and conditions stated herein, please so indicate by signing where provided below and return this letter to my attention.

Yours very truly,

David Couture

Director, Regulatory Affairs
