RE: **COMPLIANCE TO DECISION NO. 63834** – REQUEST FOR EXTENSION OF
TIME DOCKET NO. (T-03893A-00-0447)

On July 30, 2001, ServiSense.com, Inc., ("Servi") submitted correspondence requesting an extension of time to comply with conditions in the decision granting Servi authority to provide resold interexchange telecommunications services (Decision No. 63834). Servi's CC&N was conditioned on the company filing conforming tariffs within 30 days of the effective date of the Commission's Decision and providing proof of a performance bond of \$25,000 effective within 30 days of the Commission's Decision. They did not comply and the company's certificate was void without further order of the Commission. Also Servi needed to notify the Commission on the date it will begin or has begun providing service. Therefore, Servi requires additional time to comply with the Decision. Staff has no objections to Servi's request for additional time. Staff recommends that Servi be granted a 45 day extension of the requirements discussed above.
