Re: Docket No. T-03893A-00-0447  
Affidavit reflecting that ServiSense.com, Inc. will not collect prepayments in the State of Arizona. Notification of submission of legal notice of application for publication on July 14, 2000. Compliance with A.A.C. R14-2-1104 (A)(3).

Ladies and Gentlemen:

ServiSense.com, Inc. herewith submits the enclosed original and ten (10) copies of its Affidavit regarding the non-collection of prepayments in the State of Arizona to complete its Application for a Certificate of Convenience and Necessity to Provide Competitive Intrastate Telecommunications Service, Docket No. T-03893A-00-0447. Petitioner also wishes to notify the Commission that the Applicant filed the legal notice of its application for publication on July 14, 2000, pursuant to A.A.C. R14-2-1104(E). Applicant will file the affidavits of publication of said notice for each newspaper in which this matter is published as soon as they become available.

Finally, as per my telephone discussion with Mr. Gatto, ServiSense.com, Inc. is not seeking an expanded certificate of convenience and necessity, but rather, its initial certificate. The Company's application should therefore be governed by the provisions of A.A.C. R14-2-1105 and not those of A.A.C. R14-2-1104 and specifically not A.A.C. R14-2-1104(A)(3). ServiSense is aware that the Corporation Commission may interpret its initial rates as maximum rates and would simply liked to be informed if this is the case. Thus, the enclosed information should complete the application.

An additional copy is enclosed; please date-stamp the extra copy and return it to the undersigned in the enclosed self-addressed postage-paid envelope.
