Docket No. T-03439A-97-0505

Dear Sir or Madam:

According to Arizona Corporation Commission (Commission) records, you and/or your Company/Firm are the Statutory Agent for the reseller applicant indicated above. Enclosed is a copy of a letter dated August 30, 2000, sent to the applicant notifying them that Staff is ready to process their Application for a Certificate of Convenience and Necessity (CC&N) to resell communications services within the State of Arizona and for a determination that services of the company are competitive. Staff's attempts to contact the Applicant through its consultant and by telephone have been unsuccessful.

Therefore, the purpose of this letter is to serve **final notice** that the reseller applicant must contact Anthony Gatto, by **September 29, 2000**, to provide current information, if he wishes to have the application processed. Additionally, if the reseller applicant no longer wishes to have its application processed, he must file a Request to Withdraw. A form and filing instructions are available for her/his convenience from the Docket Control Center by calling 602.542.3477.

If a response to this **final notice** is not received by **September 29, 2000**, the pending application will be terminated and the docket administratively closed. **Be advised that the legal consequence of termination or withdrawal of the company's application, is that the company will no longer have the authority to resell telecommunications services within the State of Arizona and must cease all business activity involving resold telecommunications services in Arizona.**

If you have any questions regarding this letter or the enclosed forms, please contact me at 602.542.0833 or e-mail Agatto@cc.state.az.us

Sincerely,

Anthony M. Gatto
