Re: Docket NO T-03973A-00-1038

Attention: Mr. Patrick Williams

Dear Mr. Williams,

We received your notice regarding Vivo Communications- AZ, LLC non-compliance with procuring a performance bond within 180 days of commission's granting Vivo a Certificate of Convenience.

At this time we are requesting an extension for meeting this requirement. We ask that Vivo Communications-AZ, LLC be allowed to post the required bond no latter then 30 days prior to the commencement of service within the next 180 day period.

The reason that Vivo has not yet posted the performance bond is that our service offering in the Arizona market has been delayed by several months due to economic conditions and slower then expected network turn-up in other areas.

Vivo is excited about providing a superior local service in the Arizona area at competitive rates adding value and competition to the market place.

If you have any questions please contact me.

Yours,

Tim Sefton  
Vice President
