RE:

CC&N expansion (WS-02987A-04-0889)

Dear Mr. McNeil:

The above referenced extensions to Johnson Utilities, L.L.C., ("Johnson"), Certificate of Convenience and Necessity have been scheduled for the Commission's Open Meeting on September 27th and 28<sup>th</sup>, 2005. A personal matter has arisen that will prevent the managing member of Johnson from attending. We believe his attendance could be essential in the consideration in the matters. Johnson therefore requests that these three matters be removed from the September Open Meeting and be rescheduled for hearing at the October 18<sup>th</sup> and 19<sup>th</sup>, 2005 Open Meeting. Johnson hereby waives any timeclock considerations associated with all three dockets. We appreciate your consideration on this matter.

If there are any questions regarding this correspondence, please contact the undersigned at (480) 998-3300.

Sincerely,  
Johnson Utilities, L.L.C.

Brian P. Tompsett  
Executive Vice President
