Dear Mr. Bozzo:

Please accept this letter as a follow-up to my June 9, 2005, letter to you concerning the above captioned matter. Johnson Utilities has received the final compliance letter from Arizona Department of Environmental Quality (ADEQ) for the Section 11 WRP indicating the facility is in compliance attached hereto as Attachment No. 1. As stated in our previous correspondence, we have been working with ADEQ since April 8, 2005 to provide the Commission with this necessary documentation.

Our records indicate that we have now submitted all the required documentation of compliance with ADEQ regulations pursuant to Commission Decision No. 64062 (October 4, 2001), as amended by Decision No. 65840 (April 22, 2003) for the current year. Should your records indicate otherwise, and/or you have any questions, please do not hesitate to contact me. Thank you for your time and consideration in this matter.

Sincerely,

Daniel Hodges  
Vice President

Re: Request for the compliance status for the Johnson Utilities Section 11 WWTP, Place Id: 142, inventory number: 103081, Permit Number 24069.

Dear Mr. Brown:

Your request for an evaluation of the compliance status for the above facility has been completed. Arizona Department of Environmental Quality records indicate the facility is in compliance based on the current information that is available.

It should be understood that the compliance status of a facility may change from time to time based upon monitoring results or a facility inspection. Therefore, this is based on the most current information available.

Thank you for your cooperation in protecting the water quality of the State of Arizona. If you have any questions and need further assistance, please contact me at (606-771-4513).

Sincerely,

Don Shroyer, Manager
