RE: Mirabell Water Company
W-02368A-05-0419

The proposed order in the above captioned matter that was mailed to you on October 3, 2005 inadvertently omitted a paragraph that would conform to Finding of Fact No. 28. The following language should be added on page 9, line 8:

IT IS FURTHER ORDERED that within 120 days of the effective date of this Decision, Mirabell Water Company shall docket a detailed plan demonstrating how it will reduce its water loss to less than 10 percent, and if it determines that such reduction is not cost-effective, Mirabell Water Company shall include a detailed cost analysis and explanation for why a water loss reduction to less than 10 percent is not cost-effective.

The Recommended Order will reflect the change. The deadline for filing exceptions shall be unchanged.

Sincerely yours,

Jane Rodda
Administrative Law Judge
