Re: CNG Communications, Inc.
Docket No. T-03797A-99-0591

Dear Mr. Gatto:

This is to respond to your correspondence dated May 2, 2000, concerning the application of CNG Communications, Inc., filed October 19, 1999 and supplemented December 3, 1999, for a CC&N to provide resold intrastate toll telecommunications in the State of Arizona.

On January 5, 2000, Mr. Kevin Mosier acknowledged that the application of CNG Communications, Inc. "is complete." A copy of his correspondence is enclosed for your reference. The logical inference one draws from such an acknowledgement is that the application will then be considered in turn and if consistent with Commission rules and practices, approved. Instead, four months after acknowledgement of a completed application, I received your letter of May 2nd.

Please advise me of the true status of this filing and when our client might expect a decision. Of course, you may call me to discuss this matter further.

Yours very truly,

John T. Sessions
