In the matter of Quest's intervention with the application of Midvale Telephone Exchange's service to Silverbell Estates, located 18 miles south of Arizona City with a mailing address of Eloy, AZ 85231 I state the following:

Arizona Corporation Commission
DOCKETED

The residents of this community are some 25+ miles from the City of Eloy. The residents have tried to get US West to provide us service and they didn't want anything to do with us because we are so remote. We are an unassigned area regarding phone service. We have been asking for and trying to get phones for over 20 years. Midvale is the first and only company that would come to our rescue.

JAN 05 2001

Also, I ask the following:

DOCKETED BY
JM

If they want to give us phone service how soon would it be (Midvale has said they will start by October 2001)?
What would their charges be as opposed to Midvale's charges?
What type of service would they provide (Midvale will use buried cable)?
How dependable will their service be?

Please grant us permission to make a statement at this April 19, 2001 hearing.

Sincerely,

Alan & Beverly Polmanteer

Eloy, AZ 85231
