Re: Virgin Mountain Utilities Company; Docket No.; Docket No W-03551A-04-0325,
CC&N Extension Application

Dear Judge Stern:

Due to my being out of the Country, there was miscommunication with my client regarding the November 18 filing of the requirement regarding obtaining Mohave County Approvals to Construct. I apologize for this tardiness.

Mr. Stoddard did contact the County and learned that a Certificate of Convenience and Necessity is not necessary for Company to apply for an Approval to Construct water facilities.

Thank you for your consideration in this matter. In the event you have any questions regarding this matter, please do not hesitate to contact the undersigned.

Sincerely,

Richard L. Sallquist
