RE: Plan of Administration and Power Supply Adjustor Calculation and Projections
Docket No. E-01345A-05-0816

Dear Mr. Wheeler:

On November 23, 2005, I wrote to you requesting APS' best estimates for 2005 through 2010 of "Annual Native Load Sales" and "Net Fuel and PP Costs," as these terms are used in the tables attached to Robert Gray's March 9, 2005 memorandum to Ernest Johnson.

To date, Commission Staff has not received a response. I am disturbed that this amount of time has elapsed without one, and I am now expecting an expedited reply. Please advise me in writing when it will be forthcoming.

Sincerely,

Mike Gleason
