DOCKETED BY

Rationale:

The required reports on Codes of Conduct are to include analyses of the standards of conduct used in the Track B solicitation. The solicitation processes need to be concluded and evaluated before an analysis of the actual effectiveness of the standards of conduct can be performed. The Staff Report contemplates that the Independent Monitor will make its final reports on the solicitations by April 29, 2003. However, that date may not be attainable. Therefore, Staff recommends that it file the reports on the Codes of Conduct within 60 days from the date of the Independent Monitor's final reports.
