Re: Rocky Lake Water Company, Docket No. W-01498A-01-0223

First National Management, Inc. is the agent for the Rocky Lake Water Company. On September 4, 2001, Rocky Lake Water Company received authorization to increase it's rates in accordance with Decision No. 64009. A portion of Decision No. 64009 required the Company to install meters on each of it's five operating wells within twelve months of the effective date of the Order.

Unfortunately this portion of the Order was overlooked. We apologize for our error and request an extension of sixty days in order to prepare plans, obtain bids and complete the installations as required.

We look forward to your earliest response.

Sincerely,

Fred T. Wilkinson
President
