**PUBLIC NOTICE OF HEARING ON
JOINT APPLICATION BY TUCSON
ELECTRIC POWER COMPANY AND
TRICO ELECTRIC COOPERATIVE,
INC. FOR APPROVAL TO TRANSFER
PORTIONS OF THEIR CERTIFICATES
OF CONVENIENCE AND NECESSITY**

On March 6, 2001, Tucson Electric Power Company ("TEP") and Trico Electric Cooperative, Inc. ("Trico") filed a joint application for approval to transfer portions of their Certificates of Convenience and Necessity ("Certificate") to provide electric power in Pima County, Arizona. If the application is granted, TEP would be the exclusive distribution company for electric power for a portion of Trico's existing service territory and Trico would become the exclusive distributor of electricity for a portion of TEP's current service territory near Sahuarita, in Pima County, Arizona.

The joint application is available for inspection during regular business hours at the offices of the Commission in Phoenix, at 1200 West Washington Street, Phoenix, Arizona or in Tucson at 200 West Congress Street, Suite 218, and at TEP's office located at 4350 East Irvington Road, Tucson Arizona 85714 and Trico's office located at 5100 West Na Road, Tucson, Arizona 85704.

The Commission will hold a hearing on this matter on August 21, 2001 at 10:00 a.m., or as soon thereafter as is practical, at the Commission's offices, Room 222, 400 West Congress Street, Tucson, Arizona. As a property owner or customer you may have the right to intervene in the proceeding. If you do not want to intervene, you may appear at the hearing and make a statement on your own behalf. Intervention shall be permitted to any person entitled by law to intervene and having a direct and substantial interest in the matter. Persons desiring to intervene must file a written notice to intervene with the Commission, which motion should be sent to the Applicants or their counsel and to all parties of record, and which, at the minimum, shall contain the following:

The name, address, and telephone number of the proposed intervenor and of any party upon whom service of documents is to be made if different than the intervenor.

A short statement of the proposed intervenors interest in the proceeding (e.g., a customer of the Applicants, a shareholder or member of the Applicants, etc.).

A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before August 10, 2001 by 2 noon. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and cross-examine other witnesses. However failure to intervene will not preclude any customer from appearing at the hearing and making a statement on such customer's own behalf. However, you will not receive any further notice of the proceeding unless requested by you.

If you have any questions or concerns about this application or have any objections to its approval, or wish to make a statement in support of it, you may write the Consumer Services Section of the Commission at 1200 West Washington Street, Phoenix, Arizona 85007 or call 1-800-222-7000 or appear at the hearing and make comment.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting Melly Hood, ADA Coordinator, voice

phone number 602/542-3531. E-mail shood@cc.state.az.us. Requests should be made as early as possible to allow time to arrange the accommodation.
