Re: Cox Arizona Telcom, L.L.C. ("Cox"): Amended Effective  
Date for Tariff Revisions  
Docket Number T-03471A -01-0699

To Whom It May Concern:

On September 4, 2001, Cox filed tariff revisions in the above-referenced docket and requested Commission authorization to increase its maximum rate for residential calling card usage. Cox had requested that those revisions become effective on October 15, 2001. Cox has since determined that it must delay the implementation of the increase until December 1, 2001. Therefore, attached hereto are amended tariff pages to reflect the December 1, 2001 effective date. Also, please be advised that Cox has amended its customer notification to comport with the effective date of the proposed increase.

If you have any questions or comments, please do not hesitate to contact me.

Sincerely,

Bradley S. Carroll  
Manager, Regulatory Affairs
