RE: **COMPLIANCE TO DECISION NO. 64084** - REQUEST FOR  
EXTENSION OF TIME. (DOCKET NO. T-03342A-97-0129)

On October 4, 2001, The Commission in Decision No. 64084 issued Talk America Inc. ("Company") a CC&N to provide interexchange telecommunication services. The decision required the company to provide Staff with the company's Fair Value information within eighteen months or by April 4, 2003. As of April 4, 2003, the Company did not provide Staff with the information required by the Commission order. At that point Staff considered Company's certificate to be void. Subsequently on April 21, 2003, the Company submitted correspondence requesting an extension of time to comply with the Commission's Order. The Company did provide the required information in its April 21, 2003 filing. Staff recommends that the Company be granted the extension of time.

**Re: Docket No. T-03342A-97-0129; Decision No. 64084  
In the Matter of the Application of Talk America Inc.  
REQUEST FOR EXTENTION AND SUBMISSION OF DATA**

Dear Sir/Madam:

This letter is to notify the Commission that the FVRB information of Talk America Inc. currently on file with the Commission in the form of its Annual Report are hereby resubmitted (original plus 11 copies) in their entirety and in a form so as to be in conformance with the above referenced order.

As indicated by reports filed by Talk America since it applied for authority in 1997, the Company has been providing service in Arizona since March, 1997. The latest annual report was filed in March of this year for calendar year 2002 and the Company files monthly USF reports and remittances.

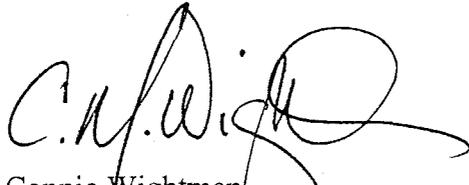

On behalf of Talk America Inc., we request that this notification and filing be considered timely filed, or in the alternative that the Company be granted an extension of time through the date of this filing. Order 64084 required compliance within 18 months of the date it first provided service. The Company believed its annual report filing met this requirement, but now realizes that since that Report was not filed in the above-referenced docket, it was not in full compliance. Upon receiving the Letter of Noncompliance, the Company responded immediately with this filing to demonstrate its continuing interest in maintaining its authority in Arizona, where it currently serves more than 10,000 toll customers. Therefore it is in the public interest to accept this filing or grant this extension of time.
