Final Revenue Requirement Position Schedules

Dear Judge Nodes:

In accordance with your procedural order dated January 6, 2006, requesting the parties' provide hard copy electronic versions of all schedules reflecting their final revenue requirement positions, Southwest has enclosed a compact disc labeled ("Final Schedules") which contains an Adobe Acrobat (.pdf) file of each schedule impacted by and reflecting Southwest's final revenue requirement position. In addition, Southwest has enclosed a second compact disc labeled ("Rate Case Model") which contains Southwest's Arizona Rate Case Model (Excel format) that was utilized to generate the schedules on the "Final Schedules" CD. Also contained on the "Rate Case Model" CD is a Word document, entitled "readme," that explains how to use the Arizona Rate Case Model.

Southwest is also transmitting 14 copies of this letter (without attachments) to Docket Control. A copy is also being provided to the service list in this proceeding, together with a copy of the "Final Schedules" CD. An additional copy of this letter is included for Docket Control to date/time stamp and return in the self-addressed, stamped envelope.

Should you have any questions, please do not hesitate to contact me at (702) 876-7163.

Respectfully,

Debra S. Jacobson
