Re: In the Matter of the Application of Qwest Corporation for Approval of the Third Amendment to the Interconnection and Service Retail Agreement with AT&T Communications of the Mountain States, Inc.

Dear Madam or Sir:

Please find enclosed an original and ten (10) copies of the Third Amendment to the Interconnection and Service Resale Agreement between Qwest Corporation ("Qwest") and AT&T Communications of the Mountain States, Inc. ("AT&T").

The Amendment is made in order to add terms and conditions to enable AT&T to receive blocking reports on all interoffice trunk groups carrying EAS/local traffic between Qwest tandem switches and Qwest end office switches for Interconnection Trunk Reports as set forth in Attachment 1 to the Amendment. The Arizona Corporation Commission approved the underlying Agreement between Qwest and AT&T on July 31, 1997, in Docket Nos. U-2428-96-417 and E-1051-96-417, Decision No. 60308. Enclosed is a service list for these dockets.

Please contact me at (602) 916-5345 if you have any questions concerning the enclosed. Thank you for your assistance in this matter.

**Amendment Number 3 to the Interconnection Agreement
Between
AT&T Communications Of The Mountain States, Inc.
and
Qwest Corporation
Arizona**

This Amendment ("Amendment") is made and entered into by and between AT&T Communications of the Mountain States, Inc. ("CLEC") and Qwest Corporation ("Qwest").

RECITALS

WHEREAS, CLEC and Qwest entered into an Interconnection Agreement (the "Agreement") for service in the state of Arizona that was approved by the Arizona Corporation Commission ("Commission"); and

WHEREAS, CLEC and Qwest desire to amend the Agreement under terms and conditions contained herein.

AGREEMENT

NOW THEREFORE, in consideration of the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Amendment Terms.

This Amendment is made in order to add the terms and conditions to enable CLEC to receive blocking reports on all interoffice trunk groups carrying EAS/local traffic between Qwest tandem switches and Qwest end office switches for Interconnection Trunk Reports as set forth in Attachment 1, attached hereto and incorporated herein.

2. Effective Date.

This Amendment shall be deemed effective upon approval by the Commission; however, the Parties may agree to implement the provisions of this Amendment upon execution. To accommodate this need, CLEC must generate, if necessary, an updated Customer Questionnaire. In addition to the Questionnaire, all system updates will need to be completed by Qwest. CLEC will be notified when all system changes have been made. Actual order processing may begin once these requirements have been met.

3. Further Amendments.

Except as modified herein, the provisions of the Agreement shall remain in full force and effect. Neither the Agreement nor this Amendment may be further amended or altered except by written instrument executed by an authorized representative of both Parties.

The Parties intending to be legally bound have executed this Amendment as of the dates set forth below, in multiple counterparts, each of which is deemed an original, but all of which shall constitute one and the same instrument.
