Re: Docket No. <sup>SW</sup>~~SA~~04002A-01-0228, Notice of deficient application

Dear Sir,

On March 15, 2001 Arizona Utility Supply & Services LLC submitted an application for a Certificate of Convenience and Necessity to provide sewer service to portions of Pinal County.

In accordance with Arizona Administrative Code, R14-2-411,C.2, Staff of the Utilities Division "shall notify the applicant, in writing, that the application is either administratively complete or deficient. If the application is deficient, the notice shall specify the deficiencies."

Review of your March 15, 2001 application determined that the following documents are required prior to any determination that the filing is complete for purposes of the rule stated above.

1. Copies of plans and design reports for the "Links, Cambria and Castlegate treatment plants;
2. Copies of construction costs including treatment plants and collection systems;
3. Copies of the daily wastewater flow of the Links system for the last 12 months;

Please provide the above named documents at your earliest convenience to ensure a timely review of your application.

Sincerely;

Jim Fisher  
Executive Consultant  
Utilities Division
