Dear Judge Rodda:

This letter is to certify that the Arizona Small Utilities Association mailed the Public Notice to the customers served by the seven McLain water systems. The purpose of the public notice was to announce a public meeting to be held February 21, 2006 to receive comments on the proposed rate increase. The public notice included information on the date and time of the public hearing February 28, 2006 at the commission offices to receive comment and hear testimony relative to the proposed rate.

Treasurer
Peter Kaleta
Golden Valley
Improvement Dist.

The Public Notice was mailed to the customers of the seven McLain water systems in Huachuca, Hereford, and Palominas Arizona February 10, 2006. The mailing of the public notice should have occurred February 8, 2006 by your order. There was a delay in the delivery of the public notice to the U.S. Postal Service due to a printing problem. The public notice was also distributed electronically to customers that have provided email addresses and the local news paper. The local newspaper published the public notice.
