Dear Sirs

Hopefully you will receive enough phone calls, emails and regular mail to rule against the atrocious rate increase that was put forth by APS. We who have lived in this area for years were promised reduced rates when the Palo Verde nuclear plant was built...instead they sell to California for big money. Hopefully, you gentlemen ask for and get a balance sheet and hopefully you can see the waste and exhorbitant income of the CEO's and other corporate heads. If you allow this rate increase to go through, you might as well not show up at the next election as you won't stand a chance of being re-elected!!!
