Re: *Pine Water Company v. Strawberry Hollow Development, Inc., Strawberry Hollow Properties, L.L.C. and Strawberry Hollow Property Owner's Association (Docket No. ~~W-03152A-01-0464~~)*

W-03512A-01-0464

Dear Judge Nodes:

Discussions between legal counsel for Complainant and Respondents in the above-captioned matter have indicated that the former interpreted certain statements in the Respondents' recent Motion to Dismiss as implying that the original Complaint filed by Pine Water Company had been brought in bad faith or that counsel for Complainant had, in some respect, acted improperly in bringing such complaint. This was certainly neither our intent nor, in our judgement, the import of the Motion. However, we sincerely apologize if others also found there was any such implication and also for any distress this may have caused counsel for Complainant.
