RE: IN THE MATTER OF THE APPLICATION OF QWEST CORPORATION FOR APPROVAL OF THE AGREEMENT FOR INTERCONNECTION, UNBUNDLED NETWORK ELEMENTS, ANCILLARY SERVICES AND RESALE OF TELECOMMUNICATIONS SERVICES WITH RURALWEST-WESTERN RURAL BROADBAND, INC. (DOCKET NOS. T-01051B-01-0797 AND T-04023A-01-0797)

On October 9, 2001, Qwest Corporation ("Qwest") filed an Application for approval of an Interconnection Agreement between Qwest and RuralWest-Western Rural Broadband, Inc. ("RuralWest"). The term of the Agreement shall be effective upon Commission approval and shall remain in effect for a term of two (2) years. The Agreement shall terminate on November 20, 2003. Upon expiration, the Agreement shall remain in force and effect until terminated by either party on one hundred sixty (160) days written notice. The Agreement governs the terms and conditions under which Qwest will offer interconnection services to RuralWest.

The Telecommunications Act of 1996 ("1996 Act") directed incumbent local exchange carriers to make their networks available for interconnection and resale by new entrants to the local exchange market. The 1996 Act provides for interconnection and resale agreements to be concluded by voluntary negotiation. This Agreement between Qwest and RuralWest was voluntarily negotiated, without resort to arbitration.

Under the terms of the Agreement, Qwest will provide specified local exchange services for Interconnection, Resale, Ancillary and Unbundled Network Elements to RuralWest. Generally, Qwest services will be made available to RuralWest for resale at a twelve (12) percent discount for residential customers and an eighteen (18) percent discount for business customers.

According to the 1996 Act and State Rule, the Commission must approve voluntarily negotiated interconnection and resale agreements if their provisions are non-discriminatory and in the public interest. Staff has reviewed the Agreement and finds it to be non-discriminatory and in the public interest. Qwest is offering the same terms and conditions of the Agreement to all other interested parties. The Agreement is in the public interest because it will act to further competition in the local exchange market in Arizona.

THE COMMISSION

Since there are no grounds for rejection of the Agreement pursuant to Section 252(e)(2)(A) of the 1996 Act, Staff recommends that the Commission approve the Interconnection Agreement between Qwest and RuralWest.
