RE: Arizona Water Company Open Meeting Item, Docket No. W-01445A-05-0469

Dear Commissioners:

It has just come to our attention that our 221 acres located within Section 1, Township 7 South, Range 4 East of the Gila and Salt River Base and Meridian, Pinal County, Arizona have been included in the Arizona Water Company docket W-01445A-05-0469.

We were not notified by Arizona Water that our land was to be included and we have not asked Arizona Water to serve our land, nor do we want Arizona Water to provide service to our land.

We want one company to provide our water and wastewater service, and we are in the process of requesting service from Santa Cruz Water and Palo Verde Utilities Company. Santa Cruz and Palo Verde are owned by Global Water and would be able to provide both water and wastewater service to the area.

Thank you,

Selma and Midway, LLC
