Dear Customer,

The Arizona Corporation Commission approved an arsenic removal surcharge tariff of \$4.82 per month per customer in Decision No. 68446 dated February 2, 2006. This notice is being provided to Mountain Glen customers in compliance with that Decision.

The \$4.82 surcharge will become effective with Mountain Glen's first billing cycle four months after the closing of the Water Infrastructure Finance Authority ("WIFA") loan and will be shown as a separate line item on the bill as an "arsenic surcharge".

The WIFA loan is anticipated to close soon. We will send you a follow-up notice after the loan closes to let you know exactly which month the \$4.82 surcharge will begin.

Sincerely,

BEATRICE PARKER
Owner
