ARIZONA CORPORATION COMMISSION

March 14, 2006

Dear Party to Docket No. E-01345A-03-0437:

A Procedural Conference was held in Docket No. E-01345A-06-0009 on March 14, 2006. In the course of that Procedural Conference, Commission Staff advised the Presiding Officer of our intent to provide a copy of our prefiled direct testimony in this matter to all parties to Docket No. E-01345A-03-0437. Accordingly, enclosed with this letter is a copy of Staff's prefiled direct testimony.

Additionally, please note that the Testimony of Staff Witness Barbara Keene had previously been provided in a redacted version, since it contained information which APS claimed to be proprietary or trade secret. During the course of the Procedural Conference, APS indicated that none of the information contained in Barbara Keene's prefiled testimony continues to require protection. Accordingly, enclosed is a copy of Barbara Keene's entire testimony, including those portions previously redacted.

Staff's testimony is being provided to you so that you will have notice of the nature of the recommendations. It is possible that some may believe that Staff's recommendation contained in this testimony would have the effect of modifying or otherwise amending Commission Decision No. 67744. The provision of this testimony is to ensure that the Commission has complied with the provisions of A.R. S. § 40-252, requiring notice and an opportunity to be heard before modifying or amending any of its earlier issued Decision. If you wish to be heard in this matter, please contact the Commission's Hearing Division at (602) 542-4250 or submit a Request for Intervention in this docket.

If you have any questions, please contact me at (602) 542-6025.

Sincerely,

Christopher C. Kempely
