Re: Litchfield Park Service Company; Docket Nos. W-01427A & SW-01428A-00-1004;
Decision No. 64358 Compliance

Dear Mr. Williams:

The subject Decision required the Company to file the Developer's Certificate of Assured Water Supply within 365 days of the January 15, 2002 effective date.

The Company has been advised by the Developer that it will not receive that Certificate in the allotted time. As you are aware, CAWS applications are complex technical matters and the Developer believes the process could take substantial additional time. Therefore, the Company respectfully requests that the Commission extend the compliance date for filing the Certificate of Assured Water Supply by an additional 365 days.

Thank you for your consideration in this matter.

Sincerely,

Richard L. Sallquist
