RE: **BEAVER DAM WATER COMPANY (DOCKET NO. ~~W-03067-01-043~~)**

*W-03067A-01-0343*

The area requested by Beaver Dam for an extension has been plotted with a complication - part of the area being requested is already certificated to Mesquite Farmstead Water Association. I have also typed a corrected legal description for the requested area, which has been approved by Mr. Bob Frisby of Beaver Dam Water Company. This legal description is attached and should be used in place of the original description submitted with the application. Beaver Dam Water Company is responsible for making sure this legal description is docketed as an amendment to their application.

Attached are copies of the maps for your files.
