Dear Commissioners:

AZ CORP COMMISSION  
DOCUMENT CONTROL

We received a notice recently that the Arizona Water Company has filed an application with the A.C.C. for an increase of approximately 39 percent. As a user, we were appalled by this request as Arizona Water already has one of the highest rates in the state. We are opposed to any rate increase for Arizona Water Company. As a matter of fact, we think a rate decrease would be more appropriate.

AS elected officials of this State, it is your responsibility to protect the interest of your constituents. We are depending on that and encourage a "NO" vote and a vote against any increase at all.

Thank you for your consideration in this matter.

Sincerely,

*Michael and Lori Fitzpatrick*
