DECISION NO. 68496

OPINION AND ORDER

DATE OF HEARING: January 10, 2006  
PLACE OF HEARING: Phoenix, Arizona  
ADMINISTRATIVE LAW JUDGE: Marc E. Stern  
APPEARANCES: Mr. Craig Marks, on behalf of Arizona American Water  
Company/Mohave Sewer District; and  
Mr. David Ronald, Staff Attorney, Legal Division on  
behalf of the Utilities Division of the Arizona  
Corporation Commission.

**BY THE COMMISSION:**

On April 29, 2005, Arizona American Water Company ("Arizona American"), on behalf of its Mohave Sewer District ("Company" or "Applicant"), filed an application for an extension of its Certificate of Convenience and Necessity ("Certificate") with the Arizona Corporation Commission ("Commission") to provide public wastewater utility service to various parts of Mohave County, Arizona. The Company also requested the deletion of a small parcel from its certificated service area.

On May 25, 2005, the Commission's Utilities Division ("Staff") issued a notice of insufficiency which indicated that the Company's application had not met the sufficiency requirements of A.A.C. R14-2-610(C).

On June 21, 2005, pursuant to A.A.C. R14-2-610(C), Staff issued a letter of administrative

1 completeness.

2 On June 24, 2005, pursuant to A.A.C. R14-3-101, the Commission issued a Procedural Order  
3 and scheduled a hearing on the application on August 30, 2005.

4 On August 2, 2005, Staff filed its report and recommended that a hearing not take place until  
5 eleven unresolved compliance issues which were the result of eight prior Commission Decisions were  
6 resolved.

7 On August 30, 2005, a full public hearing was convened before a duly authorized  
8 Administrative Law Judge of the Commission at its offices in Phoenix, Arizona. The Company and  
9 Staff appeared with counsel. At the outset of the proceeding, Staff's recommendation to delay the  
10 hearing was adopted until the outstanding compliance issues were resolved. Although public notice  
11 was given on July 8, 2005, no one appeared to make public comment.

12 On September 1, 2005, by Procedural Order, the hearing was continued and the time-frame  
13 suspended until a joint stipulation which requested that the hearing be rescheduled was filed by the  
14 parties once the compliance issues were satisfied.

15 On November 28, 2005, a joint stipulation was filed by counsel for Applicant and Staff  
16 wherein they indicated that the compliance issues were resolved and that the hearing should be  
17 rescheduled. The stipulation further indicated that the Company had no other compliance issues with  
18 the Commission.

19 On November 30, 2005, by Procedural Order, the hearing was scheduled to resume on  
20 January 10, 2006.

21 On January 10, 2006, the hearing was reconvened by the presiding Administrative Law Judge  
22 with the Company and Staff present with counsel. Following the presentation of evidence, the matter  
23 was taken under advisement pending submission of a Recommended Opinion and Order to the  
24 Commission.

26 Having considered the entire record herein and being fully advised in the premises, the  
27 Commission finds, concludes, and orders that:

28

**FINDINGS OF FACT**

1  
2           1.       On April 29, 2005, the Company filed an application for an extension of its Certificate  
3 in order to provide sewer service to an additional 11 parcels of land consisting of approximately 185  
4 acres or approximately one-quarter of a section located in portions of Mohave County, Arizona,  
5 which area is more fully described in Exhibit A attached hereto, and incorporated by reference. The  
6 Company also requested that the Commission's approval for the deletion of approximately 20 acres  
7 from its Certificate located in various parties of Mohave County, Arizona which area is more fully  
8 described in Exhibit B attached hereto, and incorporated by reference.

9           2.       Applicant is a division of Arizona American, an Arizona corporation, which, through  
10 its various districts, provides water and wastewater service to approximately 288,000 and 44,300  
11 customers, respectively, in Arizona.

12           3.       Arizona American is a wholly-owned subsidiary of American Water Works, Inc., a  
13 subsidiary of RWE AG, a German company.

14           4.       Applicant provides wastewater treatment service to approximately a three and one-half  
15 square mile area of southern Bullhead City, Arizona.

16           5.       According to the Staff Report, besides a public right-of-way, approximately 586  
17 residential lots are included in the extension area described in Exhibit A. Of these lots, 127 presently  
18 receive wastewater service and 459 will require wastewater service laterals in the future as  
19 developers proceed with the development of four larger properties. The lots which presently receive  
20 service are adjacent to or contiguous to the Applicant's existing certificated service area. Service was  
21 extended to these parcels pursuant to A.R.S. § 40-281(B) and due to the passage of time the  
22 Company lacks documentation for the costs and for descriptions of the facilities which were  
23 constructed to serve these parcels.

24           6.       Developer owned parcels will receive sewer service under the terms of main extension  
25 agreements between the developers and the Company. In the case of wastewater main extension  
26 agreements, the Commission's rules do not require their approval by the Commission though copies  
27 of a number of them were submitted with this application. According to the Staff Report, the  
28 projected costs of the proposed plant facilities to service the four larger parcels is estimated at

1 \$790,452, but these cost projections will not be utilized in any "used and useful" determination for  
2 rate making or rate base purposes at this time.

3 7. Applicant has the necessary existing treatment facilities to serve the extension areas  
4 included in its application.

5 8. Applicant is in compliance with the requirements of the Arizona Department of  
6 Environmental Quality ("ADEQ") for the operation of a wastewater facility.

7 9. The Company is current on the payment of its property taxes and is presently in  
8 compliance with all requirements of the Commission in the operation of its various water and  
9 wastewater systems in Arizona.

10 10. The Company has previously filed a copy of its franchise for the operation of a  
11 wastewater utility which includes the areas described in Exhibit A.

12 11. The Company employs a certified operator approved by ADEQ for the operation of its  
13 wastewater system.

14 12. Applicant will charge customers in the extension areas described in Exhibit A its  
15 existing rates and charges on file with the Commission.

16 13. The area described in Exhibit B for which the Company is requesting approval for a  
17 deletion consists of approximately 20 acres and service to the area will subsequently be provided by  
18 the Fort Mohave Tribal Utility Authority ("FMTUA"), which provides wastewater treatment service  
19 to large parts of the surrounding area including the Fort Mohave Indian Reservation.

20 14. The area being deleted contains only one customer of the Company, the Camp  
21 Mohave Elementary School ("School"), which is served by means of the 4,526 foot Calle Del Media  
22 ("CDM") sewer main. The Company has also been providing service under contract to  
23 approximately 10 customers of Sunrise Vista Utilities ("SVU") using its CDM main and the FMTUA  
24 facilities that provide wastewater treatment.

25 15. According to the application, the FMTUA no longer wishes to provide service for the  
26 Company, but will continue to provide service to the School and other customers who are serviced by  
27 the CDM main if it is sold to the FMTUA.

28 16. Upon the Commission's approval of the deletion of the area in Exhibit B, the

1 Company is further requesting the Commission's approval for the sale of the CDM main and its  
2 right-of-way for \$10,000.

3 17. Applicant will file copies of any permits issued to it by ADEQ if ordered to do so by  
4 the Commission.

5 18. Staff is recommending approval of the Company's application for the extension of its  
6 Certificate for the areas described in Exhibit A, approval of the deletion of the areas described in  
7 Exhibit B and approval of the sale of the CDM main for \$10,000.

8 19. Additionally, Staff is recommending that the Commission condition approval for an  
9 extension of the Company's Certificate upon the following:

- 10 • that the Company charge its existing rates and charges for its Mohave  
11 - Sewer District in the areas described in Exhibit A; and
- 12 • that the Company file, within 365 days of the effective date of this  
13 Decision, with the Commission's Docket Control, as a compliance item  
14 in this docket, a copy of its Aquifer Protection Permit.

15 20. Staff further recommends that the Commission's Decision approving the extension of  
16 the Company's Certificate be null and void after due process if the Company fails to meet the second  
17 condition set forth above.

18 21. Under the circumstances herein, we believe that the Company's application should be  
19 approved for an extension of its Certificate to include the areas described in Exhibit A and for the  
20 deletion from its Certificate of the area described in Exhibit B. We also find the sale of the CDM  
21 main to be reasonable.

22 22. We further find that Staff's additional recommendations in Findings of Fact Nos. 19  
23 and 20 should be adopted and complied with by the Company.

24 23. Because an allowance for the property tax expense of Applicant is included in the  
25 Company's rates and will be collected from its customers, the Commission seeks assurances from the  
26 Company that any taxes collected from ratepayers have been remitted to the appropriate taxing  
27 authority. It has come to the Commission's attention that a number of companies have been  
28 unwilling or unable to fulfill their obligation to pay the taxes that were collected from ratepayers,

1 some for as many as twenty years. It is reasonable, therefore, that as a preventive measure Applicant  
2 should annually file, as part of its annual report, an affidavit with the Utilities Division attesting that  
3 the company is current in paying its property taxes in Arizona.

#### 4 CONCLUSIONS OF LAW

5 1. Applicant is a public service corporation within the meaning of Article XV of the  
6 Arizona Constitution and A.R.S. §§ 40-281, 40-282 and 40-285.

7 2. The Commission has jurisdiction over the Company and of the subject matter of the  
8 application.

9 3. Notice of the Company's application as described herein was given the matter  
10 prescribed by law.

11 4. The public convenience and necessity require and the public would benefit by the  
12 issuance to the Company of an extension of its Certificate to provide sewer service to the areas  
13 described in Exhibit A, for the deletion of the area described in Exhibit B, and for the sale of its CDM  
14 main for \$10,000.

15 5. Applicant is a fit and proper entity to provide sewer service and to receive an  
16 extension of its Certificate which encompasses the areas more fully described in Exhibit A.

17 6. The Company's application for the deletion of the area described in Exhibit B should  
18 be approved.

19 7. The Company's application of an extension of its Certificate should be approved  
20 subject to Staff's recommendations and the Company's compliance with Findings of Fact Nos. 19  
21 and 20.

#### 22 ORDER

23 IT IS THEREFORE ORDERED that the application of Arizona American Water Company  
24 on behalf of its Mohave Sewer District for an extension of its Certificate of Convenience and  
25 Necessity for the operation of sewage facilities in the areas more fully described in Exhibit A and for  
26 the deletion of the area described in Exhibit B be, and is hereby, approved.

27 IT IS FURTHER ORDERED that the sale of assets as described above by Arizona American  
28 Water Company on behalf of Mohave Sewer District is hereby approved.

1 IT IS FURTHER ORDERED that Arizona American Water Company on behalf of its  
2 Mohave Sewer District shall charge those customers in the areas more fully described in Exhibit A its  
3 existing rates and charges until further Order by the Commission.

4 IT IS FURTHER ORDERED that the Arizona American Water Company on behalf of its  
5 Mohave Sewer District shall file, within 365 days of the effective date of this Decision, with Docket  
6 Control, as a compliance item in this docket, a copy of its Aquifer Protection Permit issued to it by  
7 the Arizona Department of Environmental Quality to operate a public sewer utility.

8 IT IS FURTHER ORDERED that the Commission's Decision granting this Certificate of  
9 Convenience and Necessity to Arizona American Water Company on behalf of its Mohave Sewer  
10 District for the areas described in Exhibit A shall be null and void after due process if the Company  
11 fails to timely file a copy of its Aquifer Protection Permit.
