RE: *Forex Investment Services Corporation, et al.*
Docket No. S-03177A-98-0000

Dear Judge Behun:

In a conference call last week, Mark Knops and I discussed with you the possibility of initially setting a hearing in this matter for the week of May 11, 1998. I said that I would write to you today, to confirm whether that day would pose a problem for any of the persons I represent. It appears that my clients have no conflicts with this date.

Very truly yours,

SIRIANNI & YOUTZ

Chris R. Youtz
