RE: John Ebdon

Dear Ms. Rodda:

In reference the above-captioned matter, I represent Mr. Ebdon in a pre-indictment criminal investigation being conducted by the United States Attorney's Office and **do not represent him in any capacity in any civil matters.** However, as his attorney for a federal criminal matter, I am writing to request that the hearing scheduled for February 8th, 2000, be continued for a short time, until pre-indictment criminal investigation is completed. I want to emphasize once again that I do not represent Mr. Ebdon in any civil matter, including any matters before the Arizona Corporation Commission; and I fully understand the need of the Commission to timely adjudicate matters before it. However, as this is a fairly complex matter, I believe that the Commission will understand the need to proceed in an orderly fashion. If you have any questions or if you need any additional information whatsoever please do not hesitate to contact me at any time.

Sincerely,
