DOCKETED BY

RE: Docket No. E-00000D-02-0065; Wellton-Mohawk Generating Facility;
Ten-Year Plan

Docket Control:

At the request of the Arizona Corporation Commission ("Commission") Utilities Division Staff, Wellton-Mohawk Irrigation and Drainage District, Yuma County Water Users' Association and Dome Valley Energy Partners, L.L.C. ("Wellton-Mohawk Generation Project"), submit a Ten Year Plan consistent with the format setout in A.R.S. § 40-360.02.C.

The Ten Year Plan is being submitted in contemplation of construction of a natural gas-fired combined cycle power plant, supplemented by solar energy technology, to be located 25 miles east of Yuma, Arizona and 9 miles west of Wellton, Arizona.

The information contained in the Ten Year Plan is confidential within the meaning of Under A.R.S. § 40-360.02.D. As such, this information is not open to public inspection or public disclosure by the Commission.

Consistent with A.R.S. § 40-360.02.D and customary practice before the Commission, the Ten Year Plan has not been docketed. Rather, the Ten Year Plan has been marked confidential and hand-delivered to the Commission's Legal Division for appropriate distribution to the Commission's Utilities Division.

Very truly yours,

Paul R. Michaud
