DOCKETED BY

1. Provide the total revenue for the latest twelve months available generated by the provision of telecommunications service to Arizona customers adjusted to reflect the maximum rates that Quantumshift (MVX Communications) has requested in its tariff. This adjusted total revenue figure could be calculated as the number of units sold times the maximum charge per unit.

The total revenue for the period January 1, 2001 to December 31, 2001 is \$132,065.36.

2. Provide the total actual operating expenses incurred in the provision of telecommunications services to Arizona customers during the same twelve-month period.

The Company has not incurred any expenses in the provision of telecommunications service to Arizona customers during the past twelve months.

3. Provide the net book value (original cost less accumulated depreciation) of all Arizona jurisdictional assets used in the provision of telecommunications services to Arizona customers at the end of the same twelve-month period. Assets are not limited to plant and equipment. Items such as office equipment and office supplies should be included in this list.

The Company does not have any jurisdictional assets in the State of Arizona.

4. If the actual value of all assets is zero, please specifically state this in your response.

Not applicable (see response to #3)

5. If the fair value of all assets is different than the net book value, also provide the corresponding fair value amounts.

Not applicable (see response to #3)
