Re: McLeodUSA Telecommunications Services, Inc.,
ACC Tariff No. 2
Docket No. T-034674A-02-0445
2

DOCKETED BY *CM*

Docket Control Center:

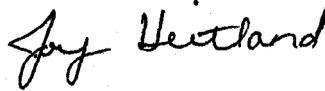

McLeodUSA Telecommunications Services, Inc. ("McLeodUSA") hereby transmits for filing an original and 10 copies of the following response to clarify the tariff filing noted in Docket No. T-034674A-02-0445. Please file stamp the extra copy and return it to me in the enclosed, self-addressed, stamped envelope.

McLeodUSA submitted a tariff revision on June 14, 2002, inserting additional and alternate bill copies to the tariff. Pursuant to Marta Kalleberg's voice mail request on July 22, 2002, McLeodUSA wishes to clarify the additional revenue amount McLeodUSA will receive by increasing the rates for these services.

Please note that the current business and residential rate for these services is \$0.00. The proposed business rate for these services is \$10.00 per copy, and the proposed residential rate for these services is \$5.00 per copy. Today one business customer requests one additional bill copy per month; therefore the additional monthly revenue to be derived from the proposed business rate increase is \$10.00. In addition, no residential customers subscribe to these services today; therefore, the additional monthly revenue to be derived from the proposed residential rate increase is \$0.00. In summary, the additional monthly revenue McLeodUSA will receive by increasing the business and residential rates is \$10.00.

McLeodUSA appreciates your time and attention to this matter. If you have additional questions or concerns, please contact Julia Redman-Carter at (319) 790-2250 or Joy Heitland at (319) 790-6142.

Sincerely,

Joy Heitland
Manager
