COMPLAINT

**Motion of  
C3 Communications, Inc.  
to Cancel CPCN**

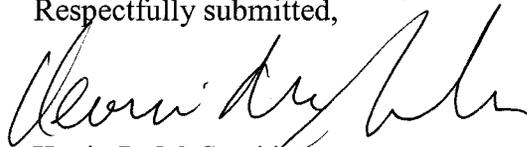

C3 Communications, Inc. ("C3") hereby files this Motion with the Arizona Corporation Commission ("Commission") to terminate its Certificate of Convenience and Public Necessity issued in Docket E-03791A on April 14, 2000. In support of its Motion, C3 shows as follows:

1. C3 was engaged in the business of providing meter data management services to retail electric customers.
2. On April 14, 2000, the Commission issued a Certificate of Public Convenience and Necessity to C3 in Docket E-03791A (Decision 62444) authorizing it to provide retail electric services within the State of Arizona.

3. C3 is not providing retail electric services in the State of Arizona and has not provided any retail electric services in the State of Arizona since before January 1, 2001. C3 has no plans to provide retail electric services in Arizona at any time in the future.

WHEREFORE, for all the foregoing reasons, C3 moves that the Commission cancel its Certificate of Public Convenience and Necessity effective immediately.

Respectfully submitted,
