CAP Water for Sun City

AZ CORP COMMISSION  
DOCUMENT CONTROL

Dear Commissioners:

Last year Sun Citys acquisition of its CAP water allowance seemed pretty well assured. Recent articles in our local papers have indicated, once again, veiled opposition to the proposed use of this water on the golf courses by the Sun City Taxpayers Association (SCTA) during your upcoming hearings.

The SCTA speaks as if they represent all of Sun City; I would bet the Sun City Home Owners Association, which favors this plan, has a far bigger membership. Please ask SCTA if they have polled their members and how many agree with their stance.

CAP water is vital to the future of Sun City; I urge you to approve the proposed plan for the pipeline and use on the golf courses.

Sincerely yours,
