Re: **Arizona-American CAP Utilization Application**
Docket Nos. W-01656A-98-0577 and SW-02334A-98-0577

Dear Mr. McNeil:

Our office represents the Sun City Taxpayers Association. We are informed that when the above-referenced matter was set for the January 15, 2003 Open Meeting that various entities were commissioning up to five buses carrying up to 50 people each (representing 200 to 250 persons) to attend the Open Meeting. Under such circumstances we request the Commission consider the above-referenced matter at a Special Open Meeting to be held in or adjacent to Sun City or Sun City West to accommodate the interest associated with this matter. Although the Sun City Taxpayers Association does not have direct access to a facility that could accommodate a large crowd, it would gladly work with the Commission in locating an appropriate facility, one possible facility as the Masonic Fellowship Center of Sun City located at 18810 North 107th Avenue, Peoria, Arizona, which is currently available February 13th, 20th or 27th. The Commission's consideration of this suggestion would be deeply appreciated.

Very truly yours,

William P. Sullivan
