"Because an allowance for the property tax expense of Willow Valley is included in the Company's rates and will be collected from its customers, the Commission seeks assurances from the Company that any taxes collected from ratepayers have been remitted to the appropriate taxing authority. It has come to the Commission's attention that a number of water companies have been unwilling or unable to fulfill their obligation to pay the taxes that were collected from ratepayers, some for as many as twenty years. It is reasonable, therefore, that as a preventative measure Willow Valley annually file, as part of its annual report, an affidavit with the Utilities Division attesting that the company is current in paying its property taxes in Arizona."
