Re: *ICG Telecom Group, Inc.*  
*Docket No. T-03566A-99-0743*

Dear Mr. Bostwick:

In response to your March 13, 2002 letter, ICG Telecom Group, Inc. (ICG) provides the following fair value information:

1. ICG is not yet operating in Arizona.
2. ICG has not yet proposed all of the maximum rates for its Arizona tariff. However, ICG estimates total revenue for its first twelve (12) months of operation in Arizona to be approximately \$404,000.
3. ICG estimates its operating expenses for the first twelve (12) months of operation in Arizona to be approximately \$323,000.
4. ICG has not yet allocated out-of-state facilities that might be used to provide service in Arizona. ICG will not own equipment in Arizona by the end of its first twelve (12) months of operation in Arizona; rather, it will lease necessary facilities.

Please call me if you have any questions.

Sincerely,

Arizona Corporation Commission
