Re: ICG Telecom Group, Inc. Abandonment of Certificates and Tariffs

To Whom It May Concern:

This letter is to notify the Utility Division of the Corporation Commission that effective immediately, ICG Telecom Group, Inc., a wholly owned subsidiary of ICG Communications, Inc. ("ICG"), intends to abandon its certificates of public convenience and necessity for all telecommunications services in Arizona and to withdraw its tariff in effect in the state.

Because ICG does not have any facilities providing regulated telecommunications services in Arizona and is not providing telecommunications services to any customers in the state, ICG intends to abandon certificate number T-03566A-98-0280 for inter-exchange service and T-04014A-01-0340 for competitive local exchange service. In addition, ICG intends to withdraw its tariff currently in effect in Arizona.

In the event that the Corporation Commission requires more information, please contact me or Thor Nelson at (303) 290-1601 to discuss. Thank you for your consideration.

Very truly yours,
