Senator Binder

Thank you for your input on behalf of the citizens of Mohave County. As you state, the bills (especially in the summer) are very high in Lake Havasu and surrounding areas. I am especially concerned about impacts on those with low and/or fixed incomes. You can be assured that I will work to balance the needs of the ratepayers of Arizona with the constitutional charge given to the Commission in this matter.

Sincerely,

Jeff Hatch-Miller
Commissioner

I am officially protesting the 22% rate increase proposed by Citizens' Electric in Mojave county. This obscene increase will have a negative impact on the entire county, especially those people on fixed incomes. I, myself have had over the past few years, an \$800 a month bill during the summer months for my home alone. Bad business practices by corporations should not be borne by the citizenry.

Thank you for your consideration of this matter.

Sincerely,

LINDA BINDER
State Senator
