I am officially protesting the 22% rate increase proposed by Citizens' Electric in Mojave county. This obscene increase will have a negative impact on the entire county, especially those people on fixed incomes. I, myself have had over the past few years, an \$800 a month bill during the summer months for my home alone. Bad business practices by corporations should not be borne by the citizenry.

Thank you for your consideration of this matter.

Sincerely,

LINDA BINDER  
State Senator
