RE: ARIZONA-AMERICAN WATER COMPANY - AGUA FRIA DIVISION - SEWER
HOOK-UP FEE TARIFF REVISIONS (DOCKET NO. SW-01303A-02-0628)

On August 16, 2002, Arizona-American Water Company – Agua Fria Division ("Arizona-American" or "the Company") filed tariff revisions with the Commission. On August 30, 2002, Arizona-American filed a letter in which it agreed to waive the normal 30-day time period allowed to process its filing so the filing could be held for the Commission's September 17 and 18, 2002, Open Meeting. With these tariff revisions, the Company is requesting approval to expand the applicability of its existing Sewer Hook-Up Fee Tariff (the existing tariff only applies to new service connections made within that portion of the Company's CC&N known as Whitestone). The purpose of the hook-up fee is to apportion the costs of constructing additional facilities to provide wastewater treatment, effluent disposal and sludge disposal among all new service connections.

Staff needs additional time to complete its review of the filing and recommends that the filing be suspended for a period of one hundred and twenty days (120) days.
