RE: STAFF'S LETTER OF INSUFFICIENCY AND FIRST SET OF DATA REQUESTS TO  
SUNESYS, INC. (DOCKET NO. T-20456A-06-0266)

Dear Mr. Rummel:

On April 21, 2006, Sunesys, Inc. ("Sunesys") filed an application for a Certificate of Convenience and Necessity ("CC&N") to provide facilities-based long distance telecommunications services, facilities-based local exchange telecommunications service, and private line services within the State of Arizona. The application is not yet sufficient. This data request lists the information that Staff needs to complete its analysis of the application. Please treat this as Staff's First Set of Data Requests to Sunesys in the above-referenced matter.

For purposes of this data request set, the words "Sunesys", "Applicant", "the Company", "you", and "your" refer to Sunesys, Inc. and any representative, including every person and/or entity acting with, under the control of, or on behalf of Sunesys. For each answer, please identify by name, title, and address each person providing information that forms the basis for the response provided.

These data requests are continuing, and your answers or any documents supplied in response to these data requests should be supplemented with any additional information or documents that come to your attention after you have provided your initial responses.

Please provide Docket Control with the information being requested within 60 days of the date of this letter. Mail an original plus 13 copies to Docket Control, Arizona Corporation Commission, 1200 W. Washington Street, Phoenix, AZ 85007-2927. If no response is received or all deficiencies are not remedied within 60 days, Staff will recommend that the application be terminated as per Rule R14-2-1103 and R14-2-510(E)3. If the application is terminated, the Applicant cannot provide the same telecommunications services in Arizona for which it is currently applying, until such time as a new application is filed with and approved by the Commission.

STAFF'S FIRST SET OF DATA REQUESTS TO  
SUNESYS, INC.  
DOCKET NO. T-20456A-06-0266

Please make sure each numbered item and each part of the item is answered completely. In order for Staff to continue with its review of this application, the following information must be submitted:

- STF 1.1        Please explain how your company calculated the actual maximum and actual minimum rates that will be contained in your tariffs for each of your services.
- STF 1.2        Please specify the rates that Sunesys will charge or currently charges for similar services in the other states/jurisdictions in which Sunesys has been approved to provide service. If there is a difference between the rates that your company will charge in Arizona and the rates that your company will charge or currently charges in other states/jurisdictions for similar services, please identify and indicate the amount of the difference and explain why you are charging different rates in Arizona.
- STF 1.3        Please indicate why you believe that your range of rates is just and reasonable using a competitive market analysis. Your analysis may contain publicly available examples of rates charged by the incumbent or other carriers for similar services or any other information that you believe demonstrates that your actual rates are just and reasonable. Please include any supporting materials. For a list of telecommunications carriers certified in Arizona, go to [www.cc.state.az.us/utility/utility](http://www.cc.state.az.us/utility/utility) . For a list of Commission-approved telecommunications rates and tariffs, go to [www.cc.state.az.us/utility/tariffs](http://www.cc.state.az.us/utility/tariffs) .
- STF 1.4        In response to question A-13 of the Application for a CC&N, Sunesys indicated that its customers will not be able to access alternative toll service providers or resellers via 1+101XXXX access.
- A.        Is it the applicant's intend to block a customer's access to other toll service providers when customers dial a 101XXXX access code?
- B.        If your response to "A." is in the affirmative, please provide your rationale for denying customers access to other toll service providers.
- STF 1.5        Please verify that Sunesys will file conforming tariffs for each service within its CC&N within 365 days from the date of an Order in this matter or 30 days prior to providing service, whichever comes first.
